

Spare Part List – 22.011 – Mobile Workshop Truck Body

| Part Number | Description                                                                         | Photo                                                                                | Related Equipment |
|-------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|-------------------|
| ALR-M11     | Product: Led Lighting<br>Reference No:<br>Sapphire -112<br>Model : 80 cm            |    | Workshop Cabin    |
| ALR-M12     | Product: Led Lighting<br>Reference No:<br>Sapphire -115<br>Model : 40 cm            |    | Workshop Cabin    |
| ALR-M13     | Product: Double Lock<br>Door Lock<br>Reference No :<br>AG1526<br>Model: Zinc Alloy  |    | Workshop Cabin    |
| ALR-M14     | Product : Air filter<br>Reference No:<br>26510337<br>Perkins engine:<br>1103A-33T   |   | Generator         |
| ALR-M15     | Product : Oil filter<br>Reference No:<br>2654407<br>Perkins engine:<br>1103A-33T    |  | Generator         |
| ALR-M16     | Product : Fuel Filter<br>Reference No :<br>26560201<br>Perkins engine:<br>1103A-33T |   | Generator         |
| ALR-M17     | Product : V Belt<br>Reference No :<br>1923312<br>Perkins engine:<br>1103A-33T       |  | Generator         |
| ALR-M18     | Product: Compressor<br>Air Generator<br>Reference No: B5800                         |  | Air Compressor    |
| ALR-M19     | Product : Pressure<br>Switch 380 V                                                  |   | Air Compressor    |

|         |                                                                                                     |                                                                                      |                    |
|---------|-----------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------|
| ALR-M20 | Air Tank<br>250 lt.<br>Mounting on Chassis                                                          |    | Air Compressor     |
| ALR-M21 | Cable Roller<br>Product Group: Metal<br>Reel<br>IP Class: IP 44<br>With socket : With<br>socket     |    | Workshop Cabin     |
| ALR-M22 | Product : Tracking<br>Plate<br>Reference No: ART.<br>66370<br>Model : ø 370 mm for<br>inner rollers |    | Grease Pump System |
| ALR-M23 | Grease guns<br>Capacity : 0,1 - 2,5<br>litres/min.                                                  |   | Grease Pump System |
| ALR-M24 | Product : High<br>Pressure Pump<br>Reference No :<br>R30006<br>Model : 21 Lt./200 Bar               |   | Washing Machine    |
| ALR-M25 | Product: Pressure<br>Washer Gun<br>Reference No:<br>HBV09GGUC<br>Model: 110 cm with<br>Trigger      |  | Washing Machine    |
|         |                                                                                                     |                                                                                      |                    |
